

CLASSIC TOWEL

Article No. 06500-3300

Whether as a guest towel or large bath towel - with its different sizes, the "Classic Towel" always cuts a good figure.

The new „Classic“ towel from **bergertextiles** combines a perfect print result with outstanding, functional properties. With its special surface structure, the polyester velour side ensures that the print always looks brilliant – no matter in which direction the fibre is coated. Of course, this does not affect the functionality of a towel: the extra thick cotton backing ensures a pleasant drying experience that qualifies for daily use.

Printing Technology

Facts

| | |
|----------|---|
| Material | 45 % Cotton 55 % Polyester (Knitted) |
| Size | 160 cm (roll) |
| Weight | 290 g/m ² |

Remarks

Important: Run a print test! Many factors influence the textile during printing and application. All technical data were determined according to the current state of measurement technology and reflect the values of the measurement sample. Despite the highest quality standards, there may be production deviations – all information are legally non-binding and without guarantee.
