Metamark (UK) Limited
Metamark House, Genesis Business Park, Woking, GU21 5RW, UK
Luneside, New Quay Road, Lancaster, LA1 5QP, UK

Warranty: Metamark (UK) Limited warrants to its customer that graphics and markings produced using Metamark MetaCast® Digital Media and / or MetaGuard MGC Cast Laminate will remain in satisfactory condition for a term no less than that defined in the technical literature. If within the term as outlined, Metamark, at its sole discretion, judges that graphics and markings produced using its materials have suffered unacceptable degradation, Metamark will provide sufficient materials to enable the production of replacement graphics or markings. Metamark further warrants that its materials will be supplied free of defects incurred in manufacturing and undertakes to replace, free of charge, any materials it judges to be defective upon examination. Performance you can trust

MetaCast® MDC XR™
Premium Cast Printable Vehicle Wrap Film

www.metamark.co.uk/metacast

MetaCast® MDC XR™

Premium Cast Printable Vehicle Wrap Film with XR™ Adhesive System

MetaGlide® XR™ Adhesive System

Designed to optimise repositionability and features micro-channel air-release technology, allowing installers to work more efficiently.

Roll Widths

MetaCast® MDC XR™ is available at 1370mm and 1600mm width, allowing vehicle doors to be wrapped in one drop without joins.

3D Conformability

Engineered using the latest cast film technology, the 50 micron film enables superior performance on full vehicle wraps, deep channels and recesses.

MetaSure 10 Year Warranty

MetaCast® MDC XR™ is manufactured for long term dimensional stability and its performance is assured by our MetaSure 10 Year Warranty. For full warranty details, go to **www.metamark.co.uk/support**.

MD Class Print Quality

Metamark Digital films ensure best in class print quality. Wide colour gamut, vibrant tones, and out of the box printer compatibility. Compatible on Solvent, Eco-Solvent, Latex and UV.

Why choose **Meta**Cast® MDC XR™?

MetaCast® MDC XR™ is a premium cast printable vehicle wrap film engineered for installers who want speed without compromise. Featuring Metamark's advanced XR™ MetaGlide® adhesive system, MDC XR™ delivers optimised repositionability, giving total confidence when working into deep channels and recesses.

MetaCast® MDC XR™

Cast Printable Vehicle Wrap Film with XR™ Adhesive System

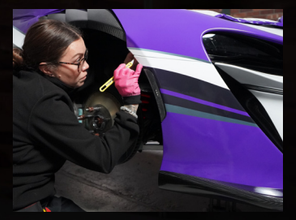

Designed for Solvent, Eco-Solvent, Latex and UV printing, MDC XR™ produces exceptional print vibrancy and consistency, matched perfectly with the MetaGuard MGC overlaminate series. Backed by the MetaSure® warranty of up to 10 years, MDC XR™ is the ideal choice for demanding wrap projects where performance, reliability and installation confidence matter most.

MetaGuard **MGC**

Cast Wrap Film Overlaminate

Matched to **Meta**Cast® MDC XR™, this premium overlaminate provides a finished system to prevent tunnelling or delamination. It is highly conformable with great ease of application and has been engineered to give long term dimensional stability whilst providing durability to the print. Backed by our MetaSure warranty. Available in Gloss and Matt finishes.
