TTS printable textiles & transfer printing media

TEXO FABRICS

Wave Flag 120 FR

Wave Flag 120 FR is a strong, flame-retardant fabric with excellent print-through. Thanks to the structure of the material, details and prints remain sharp even from a distance. The fabric does not fray and weighs 120 g/m². This knitted 100% polyester fabric is PVC-free making it ideal for flags and banners, both indoors and outdoors. Suitable for both direct sublimation and transfer. Fire retardant certified: EN 13501-1

Article Number	F911FR02
