Avery Dennison 900 Super Cast

Ultra-conformable Super Cast films.

Avery Dennison® 900 Super Cast is the very best choice for true corporate identity applications. A superior-quality cast film range that guarantees optimal conformability, conversion and durability, and therefore delivers outstanding graphics on even the most difficult application substrates - including corrugations, simple and compound curves, rivets, deep channels, and concave surface.

The Avery Dennison® 900 Super Cast range is ideal for long-term sign-cut indoor and outdoor applications. Within the wide choice of standard colours in gloss, matt and metallic and the possibility of endless colour options via the Avery Dennison colourmatch service it will be easy to find the right colour for any project.
